The Rebecca Ondelacy Memorial

As most you may know, Rebecca Ondelacy, Patient Benefits Coordinator, passed away in July of 2025. She dedicated her life's work to helping the people of our Kewa community. She was very passionate about the work she did and we all will be forever grateful for her service. We will miss her warm welcoming attitude, her sweet smile and her abundance of baked goods she blessed us with. To immortalize her dedication, KPHC has named the large conference room after Rebecca. Her memorial is also located in the conference room named in her honor.
